**STREAM SPA**

## **DRAINING VALVE LOCATION**

To help you clean your spa, we've added a **draining valve**.

**Here's  
where it's  
located on the  
Stream spa**

The drain is located directly under the door of the spa's outer shell, at ground level, when we're facing the keyboard.

## **DRAINAGE FREQUENCY**

**You should drain and refill your spa every one to three months depending on usage.  
You should also replace the filter cartridge and wipe down the spa.**
