

## REFERENCE GUIDE

# INNOVASPA REPLACEMENT FILTER CARTRIDGE

**The original cartridge product code is #105-0509**

**Life expectancy of filter cartridges is about two years**, depending on the spa usage.

You can get a new cartridge at your local spa dealer.

If the original cartridge is not in stock, please look for the following replacement:

### PLEATCO

4 <sup>3</sup>/<sub>4</sub> X 9 <sup>3</sup>/<sub>4</sub>

PGS25P4

### UNICEL

4 <sup>5</sup>/<sub>8</sub> X 9 <sup>3</sup>/<sub>4</sub>

4CH-24

### FILBUR

4 <sup>5</sup>/<sub>8</sub> X 9 <sup>3</sup>/<sub>4</sub>

FC-0131

## IMPORTANT

For the **Stream**,  
you need **two #105-0509**  
**cartridges.**

## REMEMBER

**You should remove and clean the cartridge periodically (twice a month) to keep it working effectively.**

- The maintenance steps are included in your owner's manual.
- If you wish to use the spa while cleaning the cartridge, it is recommended that you have two cartridges and use them alternately.
