

We don't just make Hot Tubs, we C.A.R.E about how we make them and the satisfaction they bring to our users.

WE C: Beyond the **creativity** of our designs, every Innovaspa is extremely **comfortable**.

A: Innovaspas are **affordable**, built for budget minded consumers. They have Great Features, Great Quality and have Exceptional "value"

R: Reliability is a critical component of a Innovaspa; we use only the best suppliers and raw materials and every hot tub we make goes through a rigorous inspection and conformity process.

E: The **Energy Efficiency** of a Innovaspa will leave you smiling. The cost to operate is merely pennies a day.
